

Programs

District Assembly

The District Assembly held on Sunday, 17th April 2011 at Nehru Centre was really fantastic and a totally new experience. All of us who attended have felt totally new style at the registration desk itself as all of us were to fly very high. Delegates were given Passport, Boarding Card, Swiping I-Card, etc. Air hostess were also present to greet us.

The Stage was beautifully designed as it was apparent that you have entered in a huge Flight. Pilot DGE Vijay Jalan with other faculties as Crew members were all set for a great flight.

District Dignitaries like DG, DGE, IPDG, PDGs, DGNs with the Chief Guest -Pujya Shri Bhupendra Pandiyaji were present. The highlight of the event was the 'Thunderous' speech of District Trainer Designate IPDG T. N. Subramanian. The Chief Guest spoke very well which was remarkable & touchy. Rotarians present were so overwhelmed that they gave him a standing ovation when he finished his speech. Our own Dr. Bharat Pandya was also outstanding. His speech was not only A FULLY CHARGED SPEECH but one can say that the Pressure was not 220 volts but 440 volts.

A Skit on TRF was performed by Rotarians of Rotary clubs from Thane.

All delegates were served mouth-watering Snacks, Lunch & Dinner.

The District Assembly was really well planned. Kudos to all Host Club members. With great efforts the Host club, R. C. of Bombay Central had innovatively conceptualized & very well organized this great event. More than 1500 delegates from more than 120 clubs from the District had participated.

Faculties from our club also performed their duties outstandingly. They were Dr. Bharat Pandya, Rajendra Kinariwla, Prafull Sharma, Vinay Vyas, Chetan Desai & Manish Gyani. Kudos to all of these members who are the asset of our Club. Overall all the training sessions were well planned & were informative.

With this experience the whole District Force XI are now all geared up.

Hobby Classes were arranged during vacation for the students of Nalanda English Medium School, which is adopted by RC Borivli, from 5th April to 29th April 2011. Cognates to Miss Vaibhavi for the excellent work she has been doing by teaching the students sand work, fabric painting etc.,. Only charging for the material.

Rotary & Interact Joint Project

Inaugurating Science Lab

On 5th April, we had inaugurated a Science lab at Pragati Vidya Mandir, Gorai. The project was funded by Rotary Club of Borivli and Interact Club of Borivli.

Compliments to Interact Club President Sashimi Pandya for the great idea of donating the most useful & much needed science Lab equipments to a well deserving school in our vicinity. Great job Director- New Generation Rtn Viren Jethva, Rtn Mona, Rtn Rajul, Rtn Hetal and all members of the interact club for attending the programme.

GREEN TIP OF THE MONTH

Make sure the refrigerator
is shut properly

Again an often neglected area!
An open refrigerator door
means that much more energy
to keep the food products cool.
